

Dear Mr. Hickey,

15/5/39

I am in receipt of Your letter with enclosures, and have pleasure in returning same duly Completed. I have had an opportunity of sighting the Correspondence addressed to Mr. Moran. I agree with the view by You that the Salary of £3. a week is rather low. but as we are desirous of utilising the amount of the Grant so as to make adequate provision for expenses, it does not seem to me there is no other Course to pursue at the moment.

But it will I am sure be possible for the National Executive, at its next meeting to place the question of Salaries on a more Satisfactory Basis. for those who are prepared to take on this difficult task. Awaiting Your immediate instructions, so as we can make a prompt start. Wise. &c. meas.

Please excuse hastily note.
